

GREEN DRAGON BOWMEN

Windsor Sunday 21 May 2023

This was our biggest known Windsor shoot with 113 Archers coming from as far away as at least Portsmouth. Thank you to everyone that made this shoot possible.

The Archers, we hope you had a wonderful time and thank you for your patience and help with looking for missing arrows. We must not forget those that were on their hands and knees determined to find all the arrows. There are only two still missing in the field.

The Judges, Brian Dunlop and Adam Trott for their patience, expertise and friendly demeanour.

The Planners, all those that worked behind the scene planning every little detail from field layout to food for our judges.

The Helpers who gave up their time on Saturday and Sunday to help with set up, take down and the field party who worked tirelessly looking for missing arrows on Sunday.

The Sponsors, Chiltern Archery for sponsoring the event, providing all the faces.

The Raffle, thank you to our juniors for walking around selling the raffle tickets and setting up the prize table. Thank you also to Yolanda for calling out the numbers and for everyone for being patient while waiting for the results.

The Spectators, everyone that came to watch and support their friends, family and fellow archers.

And last but not least.....

The Weather, it started off a bit dull and damp under foot, then the sun came out from behind the clouds, it kept disappearing throughout the day. The wind picked up and we had some strong gusts which made shooting more difficult.

Everyone seemed to enjoy themselves, although there was quite a lot of arrow searching required especially at the start.

We are planning on having our Ron Young Memorial 500 Portsmouth shoot in November, please keep an eye on our website, although details will be distributed nearer the time.
